TABLEROS · TABLE TOP · PLATEAU

Los tableros estratificados y compact de colores oscuros pueden sufrir variaciones de color con una exposición prolongada al sol. Los tableros de DM hidrófugo con aro de aluminio están fabricados para uso exterior. Dependiendo de su uso y exposición excesiva al agua pueden sufrir variaciones de espesor.

The compact&laminated tables with dark color may vary the tone with prolonged exposure to the sun. DM table top (MDF) waterproof with aluminium edge are manufactured for outdoor use. However, depending of the use and excessive exposure to water may suffer variation in thickness.

Les compacts et stratifiés de couleur sombre peuvent subir des variations de ton suite à une exposition prolongée au soleil. Les plateaux en DM hydrofuge avec cerclage en aluminium sont adaptés à un usage extérieur. Toutefois, en fonction de leur utilisation et d'une exposition excessive l'eau, ils peuvent subir des variations d'épaisseur.
